## Riding Information

**Waiting for the bus...** Some stops are designated by a sign while others are not. Please wait by the marked stop and signal the driver. In areas without marked stops, signal the driver at an intersection where the bus can stop safely. It is best to wait on the far side of the intersection, boarding the bus after it has passed through the intersection.

**What you need to get on the bus...**

- Please have **exact fare change**, a ticket, your pass, your current GrizCard or EZ Pass when you board the bus. Our drivers do not carry change.
- If you are a UM student, staff or faculty member, please show the driver your current GrizCard to receive the UM discount. If you do not show your GrizCard, you must pay the adult fare.
- Pass holders must show their pass each time they board.

**Transfers...** If you need to transfer to another bus to get to your destination, ask the driver for a transfer. Even if you have a pass, let the driver know that you need to transfer. Transfers are only valid to complete a continuous one-way trip.

**To get off the bus...**

- Give the driver plenty of notice that you want to exit the bus. Pull the bell cord about a block before your stop or, if you are not familiar with the area, ask the driver to call out your street.
- Please leave through the rear doors on two door buses so others may use the front door to board.
- For your safety, do not cross the street in front of the bus. Wait until the bus leaves the stop.

## Using this Schedule

- Route 6 Routes on the map and the corresponding schedule are the same color.
