Riders Guide

I have received and reviewed the **Riders Guide** and understand the following:

- Buses and Vans are subject to delays caused by traffic, weather, detours, accidents, passenger loads and unforeseen circumstances. Please allow some time for your ride to arrive.
- Both fixed route buses and Paratransit vehicles are equipped with lifts or ramps, and can be used by people with any mobility aid, such as a wheel chair, scooter or walker.
- The Senior Van is a shared ride service meaning you may not be taken directly to your destination until another rider is delivered.
- Operators are not required to leave curbside unless you have scheduled premium service.
- Operators can only wait a few minutes after your scheduled departure time. Other passengers are also expecting timely pick ups.
